2024 Season

May 28
July 9
September 3
October 1

Thank you for your interest in this year's events. All vendors must complete an application accompanied with payment for participation. Event communication will be done electronically. Therefore, it is crucial that we have your current email address.

We are required by the state of Wisconsin to identify your seller's permit number. If you do not have one we will need your driver's license number and last four digits of your SSN. Further information is available at www.revenue.wi.gov (go to Temporary Events).

Our Firemen's Park is laid out in 3 different areas: Infield, south end and the main west side. There is a color-coded map with our event layout located on our website cedarburgfirmenspark.com located under the Maxwell Street Days

Our regular size spaces are approximately 16' wide x 24' deep. Each of our regular spaces rent for \$50 and corners are \$65 per event. You can rent as many spaces as needed to accommodate vehicle, trailer, canopy or tables in order to display and sell your items. Vendors can set up between noon on Saturday to 5:45 a.m. on Sunday.

Please help us promote our event on social media throughout the year. If you know of a vendor looking for an additional event to participate in, please give them our contact information. Together let's make our 2024 season a great success for all of us.

Thank you for your support of our Fire Department's major fund-raisers.
